8th July 2013

Dear Dr Josip Car,

Study Title: How and why do people with long-term conditions choose to use a smartphone or tablet app for their condition? A qualitative interview study.

ICREC reference: ICREC_13_3_4

The above study was approved by your HoD on 14th March 2013 and by the Joint Research Office on the 19th April 2013.

The Joint Research Compliance Office (JRCO) have reviewed your Notice of Amendment on 8th July 2013 and would like to grant full approval to this study on the basis described in the Notice of Amendment.

Documents

The documents reviewed were:

- ICREC Application form
- Consent form V1.5 01/06/13
- Interview topic guide v1.5 01/06/13
- JRO sponsorship and insurance request form v1.5 01/06/13
- Online questionnaire schedule v1.5 01/06/13
- Participant info sheet v1.5 01/06/13
- Protocol v1.5 01/06/13
- Recruitment advertisement v1.5 01/06/13

Yours sincerely,

Gary Roper,
Head of Regulatory Compliance,
Imperial College London
